BECOME A MENTOR

Our mentors are the heart and soul of our organization. By becoming a M2M Mentor, you will help a young boy succeed and create a brighter future for all of us. You will discover and rediscover parts of yourself that you didn’t know existed and have the satisfaction of knowing you are making a difference.

"To have a young man consider your thoughts in his future plans is priceless."
—An M2M Mentor

BECOME A MENTEE

M2M provides character-building opportunities for mentees through one-on-one mentoring, group activities and interactive workshops. The mentees will learn how to develop positive habits and life skills, leading to higher levels of academic success and personal growth. Through partnerships and collaborations, we provide ongoing academic support and at least two hours of tutoring each week.

100% of boys reported agree or strongly agree that M2M has “made me want to try harder in school” and “helped me learn how to make better decisions."

We serve over 150 boys annually through our mentoring and tutoring programs.

Academic improvement was demonstrated by an average 17% increase in overall GPA. Six boys increased their GPA by one grade level!
